A new name on the door, and the **same people you know behind it.**

Whitaker-Myers Wealth Managers is now Bluespring Wealth – River Valley

BLUESPRING WEALTH

FORMERLY

Whitaker Myers
WEALTH MANAGERS, Ltd.

To our friends and neighbors in Wooster,

On November 1, Whitaker-Myers Wealth Managers joined Bluespring Wealth – River Valley. You will still meet with the same advisors in the same office on Commerce Parkway, and we will keep explaining the why behind every recommendation, because we have always believed good advice starts with the heart of a teacher.

What grows is the support behind us. River Valley brings together experienced advisors from across Ohio and Kentucky, backed by the resources of the Bluespring Wealth national platform, which gives our clients deeper help with tax, legacy, and business planning.

This holiday season, we are grateful for the trust Wooster has placed in us, and we look forward to the next chapter together.

John-Mark Young, CFP®
Managing Director of Wealth Management
Bluespring Wealth – River Valley

WHAT STAYS THE SAME

- ✓ Your advisor and the team you know
- ✓ Your local office, right here in Wooster
- ✓ Your plan and the goals behind it

WHAT YOU GAIN

- + A larger team of planning specialists
- + More depth for families and business owners
- + The strength of a national platform

3 Plumbing Tips to Prevent Winter Headaches

- Protect your pipes: insulate & disconnect hoses before freezing temps hit.
- Check your water heater: flush sediment & make sure it's ready for heavy winter use.
- Test your sump pump: keep basements dry when snow & ice start to melt.

Yoder FLOOR DESIGN

p: 330-359-0005
a: 1225 US-62 | Wilmot, OH 44689

Stop by the large showroom to discuss your options. Saturday and evening appointments are available!

From flooring to tile, the possibilities with Yoder Floor Design are endless.

For Yoder Floor Design, flooring has never been just about tile, hardwood, carpet, or stone. It has always been about people—families choosing the place where their children will take their first steps, homeowners re-imagining a kitchen they gather in every evening, and loyal customers trusting a local business to make a house feel like home.

In the early 2000s, Walnut Creek Furniture offered flooring solutions. Steve Miller, his brother, and his brother-in-law came together to purchase the flooring line, along with the Yoder Floor Design name, and opened a location in Mt. Eaton. From the beginning, the business offered a wide range of products and services,

Yoder Floor Design is conveniently located on US-62 in Wilmot

including tile, marble and tile showers, hardwood, carpet, and nearly any type of flooring a customer might need.

Growth came naturally. In 2008, the Millers purchased Mast Home Improvement in Fredericksburg and rebranded it under Yoder Floor Design. Jim Mast stayed with the company, bringing continuity, experience, and relationships that still matter today. A few years later, the business returned to one location in Mt. Eaton before making another move in 2015, when Woodright Stain purchased the current Wilmot location and offered the Millers space for a larger showroom and warehouse. The move gave Yoder Floor Design room to grow, and the Route 62 location made the business more accessible to customers. In 2017, Steve purchased the business from his partners to become the sole owner.

Through the years, and moves, one thing remained steady: family leadership. Leon Miller grew up watching his father, Steve, run the business and learned early that every detail matters. His great uncle, Wayne, managed Yoder Floor Design from the beginning and helped shape the company. When Wayne was looking to retire, he knew Leon was the right person to fill his shoes. Leon spent years working in cabinetry before joining the Yoder Floor Design team and spending a year alongside Wayne, learning the ins and outs of managing the business before taking the reins.

"I love it," Leon says. "This is a career for me. It's been a privilege to learn the business my family built." For him, the most rewarding part is serving customers well and going the extra mile. Leon explains, "Service is a top priority because our customers aren't just accounts—they are everything." The responsibility is not always easy, especially while balancing installations, price changes, custom orders, and the day-to-day demands of a small business, but Leon wouldn't trade it for anything. "It's tough," he says, "but I love every day."

Today, Yoder Floor Design continues to offer all things flooring, from hard surface products and carpet to backsplashes, marble and tile showers, installations, and custom orders. The team emphasizes quality materials and trusted manufacturers, carrying products they would feel comfortable putting in their own homes. The goal is never to make a quick sale, it is to stand behind every product and ensure each customer feels cared for from the first conversation to the final installation and years to come. That care extends beyond the showroom. Yoder Floor Design offers free, precise in-home measurements and relies on professional installers who know the products, value the community, and bring practical experience to every project. Many customers have worked with the business for decades, and Leon does not take that loyalty lightly. As the industry changes and the company works through highs and lows, the heart of the business remains the same.

> *"I grew up watching my dad run the business and now it's my turn. Dad always said to watch the little things and now I'm learning first hand exactly what he meant. It's not always easy, but I wouldn't change a thing."*

> Manager, Yoder Floor Design

Yoder Floor Design is still looking forward—continuing to serve, grow, and build on the foundation the Miller family laid years ago. For Leon and his team, every floor is more than a finished surface. It is a promise to do the job right, care for people well, and stand firmly behind the work long after the project is complete. Stop in the showroom at 1225 US-62 in Wilmot or give Leon and the team a call at 330-359-0005 to get your next project started!
