GET TO KNOW YOUR DOCTOR

Featuring Wooster Podiatrist
KELLY M. KUBIAK, DPM

Dr. Kelly Kubiak is a foot and ankle specialist and surgeon. She attended medical school at Kent State University College of Podiatric Medicine. After graduating she joined the Foot & Ankle Center of Ohio in Wooster.

**Foot & Ankle
Center of Ohio**

a: 365 Riffel Rd Suite A | Wooster, OH
p: 330.345.5500
w: footankledr.com

WHY DID YOU BECOME A PODIATRIST?

I chose podiatry because it allows me to help my patients in a variety of ways, ranging from surgery to wound care to office visits. I am involved as part of the medical team for my patients every step of the way.

WHEN SHOULD I SEE A PODIATRIST?

Make an appointment and come see me whenever you experience any foot or ankle discomfort, injury, wound, or trauma.

WHAT DO YOU LOVE MOST ABOUT YOUR JOB?

When someone comes to me with a foot issue I love that I am able to help them find a solution and leave the office better than when they came in.

WHAT DO YOU DO IN YOUR SPARE TIME?

I like to curl up on the couch with my cats and a good book. I also enjoy traveling, spending time with my family, and seeing Broadway musicals.

The Whitaker-Myers Team and Dave Ramsey

Why Dave Ramsey?

Often times we are asked why the guy that is known for getting people out of debt, Dave Ramsey, is such a focal point of our financial planning and investment management, RIA (registered investment advisory) firm. "He's good at getting people out of debt but aren't you guys supposed to help people with investments?" But isn't that where it all starts? For most of us in America our most powerful wealth building tool is our income. There isn't a white knight coming to magically bestow you with millions of dollars. Thus, the more of your income that is committed to the bank(s) in the form of payments, the more your ability to build wealth and give, is limited. Therefore, when a client can barely save for retirement because they have a car payment, credit card payment and student loan payment, they better hope the government, which is well known for its ability to handle money (sarcasm noted), will take care of them in retirement. For us, it all starts with Proverbs 22:7, the borrower is slave to the lender.

Beyond that, our heart as advisors is much the same as the entire Ramsey Solutions team, which today stands at 1,000 employees strong. Most advisors, won't deal with you, if you don't have a minimum investment size, many for economic reasons, the more money you have to invest the more you can afford to pay your financial advisor and we have raged against that machine since our inception. We have proudly helped families, regardless of size, come to a point of debt freedom and wealth accumulation. Additionally, Dave's advice around avoiding some of the worst products in our industry such as whole life insurance and most annuity products, provides clients with a level of comfort, knowing our advice is consistent with what they'd hear Dave Ramsey, Chris Hogan, Rachel Cruze, Anthony O'Neal, Christy Wright, Ken Coleman or Dr. John Delony discuss on their radio show or live events.

In 2009, one of our lead advisors, John-Mark Young, was invited to join Dave Ramsey on his SmartVestor Pro Advisory Council, which is a top group of advisors that Ramsey Solutions uses to provide strategic guidance and advice to their national network of financial advisors across the nation, that similar to the advisors of Whitaker-Myers Wealth Managers, believe and teach the principals that Dave and his team have taught millions of people over the last 21 years. To learn more about Whitaker-Myers Wealth Managers or The Seven Baby Steps, Dave Ramsey and his team have taught people for over 25 years, contact Whitaker-Myers Wealth Managers today.

COMMUNITY SPOTLIGHT

Brethren Care

VILLAGE
EST. 1972

p: 419.285.1585

a: 2140 Center St | Ashland, OH

In 1972, the Fritzingler Family gifted a farm house on 31 acres to the Brethren National Church in Ashland. The church used that gift to start a mission organization to care for widows. In time, the property transitioned into a traditional nursing home and health care center to support all older adults. Brethren Care Village has evolved throughout the years to be more than a nursing home, but a true community resource.

Compassion, respect, and integrity are top priorities at Brethren Care Village. The Christian based senior living community goes above and beyond to serve seniors whatever their needs may be. The organization offers independent and assisted living options as well as home health

The Greens Bistro & Pub offers a relaxed atmosphere for a visit, meal, or drink with loved ones.

care to allow older adults to “age in place.” They also offer outpatient care, rehabilitation programs, and memory care services. While the services provided are exceptional, the mission of Brethren Care Village is more than senior care; it’s a family centered community impacting others for a better life. Brethren Care Village is accountable to residents and their families. Chief Culture Officer (CEO) Troy Snyder explains, “We have a board of directors that is committed to our mission of being a Christian based non-profit 501c3 that exists to serve our community and residents, nothing more. With the decline in visitations due to COVID-19, we’ve made it a priority to keep up with our residents’

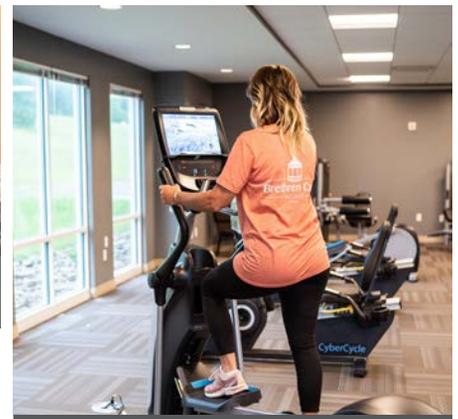

BCV staff are encouraged to connect with residents and share stories to help process through the challenges of COVID.

social needs. Our staff isn’t on tight schedules, we take time to connect with our residents on a personal level while continuing to care for their physical needs. This can be as simple as sitting with them at their bedside listening to WWII stories or swapping baking tips and recipes. We aren’t a substitute for family, but an extension of it.”

COVID-19 has brought new challenges to senior care facilities across the globe. While taking the necessary precautions to ensure the physical safety of their residents, Brethren Care Village recognizes the emotional toll the pandemic and its restrictions have on the residents. They’ve gone outside the box to find solutions and maintain a sense of community, whether it be socially distanced bingo games in hallways, or incorporating technology to safely connect residents with their friends and families outside the facility. Increased sanitation measures and social distancing are in place to protect residents and staff without completely breaking ties to the community.

Brethren Care Village’s campus hosts a Wellness and Community Center to bring residents and community members a resource they can both utilize. The facility is open to residents, families, and members of the community with memberships and classes at the state of the art fitness center as well as the pool and spa. The Greens Bistro & Pub provides delicious meals and drinks and is the perfect backdrop for social visits. During the summer, the park and beautiful grounds give residents the opportunity to spend time with their family and watch their grandchildren grow and play.

When a loved one is in need of care, it takes a toll on the family. Brethren Care Village aims to ease that burden and make a positive impact on the whole family. Daughter of a former resident, Patricia Stine explains,

BCV features a state of the art fitness center which is open to residents and families.

“Our father was a resident for three years and called Brethren Care Village home. The staff became our family, our comfort and our strength. It wasn’t the fancy carpet, framed pictures, and manicured lawn that gave our father comfort at Brethren Care.... it was the human touch, caring voice and loving hands that guided him through his daily routine. Our dad was blind, this staff

was his eyes. Our dad had dementia, this staff was his memory. Thank you BCV Staff for coming out from behind your desk and putting your hands, heart and love on my father’s life. We appreciate you being a place where one can feel they can sleep at night because their loved one is in not just competent hands, but loving hands. Our family is forever grateful.”

If you or a loved one would benefit from services at Brethren Care Village, contact them at 419-289-1585 or visit them online at brethrencarevillage.org for more information.

A DIFFERENT EASTER... BUT STILL THE SAME

Although gatherings for Easter may be different this year, some things will remain the same. Rest assured, there will still be plenty of candy! And, there are still the claims of the resurrection.

"You are looking for Jesus the Nazarene, who was crucified. He has risen! He is not here. See the place where they laid him." Mark 16:6

The resurrection was announced by angels and believed by His followers. Non-biblical historians reported it and former antagonists embraced it. Check out the evidence for it and bask in the repercussions from it - a right relationship with God.
